Each age group below has 3 listed rates for membership, when registering please select the rate that works best for your family. Each tier provides access to the same great program.

Tier 1 - presents a financial assistance option to provide greater access to the club and program.

Tier 2 - is considered the base rate and most accurately accounts for cost of operations for the ski club this season (**highlighted below**)

Tier 3 - reflects an additional contribution to enhance the club's mission over the long term (that part of Tier 3 above the Tier 2 rate is considered a tax deductible donation)

Additional fees and passes may be required for training at other ski areas and race entries. Please see page 2 for those fees

All athletes u14 and older need to have a current U.S. Ski and Snowboard membership and Vara membership if racing in non-high school races.

For those u12 and under (or only participating in High School racing), read on! U.S. Ski and Snowboard (USS&S) is the sanctioning body for many ski races in the United States and the organization through which the Cochran Ski Club has previously received our liability insurance. In an effort to improve the affordability of the club (and get more comprehensive insurance), we are using a different club insurance this year and therefore club members are not required to be members of US&S and the Vermont Alpine Racing Association (VARA) to participate in our activities (including U12 and younger races at Cochrans).

There may be some races at other mountains (possibly Jay Peak, Mad River and Smuggs) that do not require USS&S and VARA memberships, especially for U8s&10s, but that is not certain yet. If you plan on only racing at Cochrans you do not need to purchase a USS&S or VARA membership. If you plan on traveling to a few races, you would be able to get a single day membership for 30\$ (or the races may not require it).

We realize this is a little confusing, but we are doing our best to limit the substantial costs of outside memberships while delivering the experience the kids want! If you are unsure what you need, please email hello@cochranskiclub.org. Of note, the membership dues increase on October 15th for returning members, so reach out with questions as soon as possible.
